ST. LOUIS (AP)-General Manager John Quinn of the Philadelphia Phillies said Thursday night several teams have brought up the name of veteran right-hander Robin Roberts in trade talks.

"Understand, I'm not trying to peddle Roberts," Quinn said. "But the other teams are going to come to us for pitching strength-and if I were going for a pennant myself, I'd certainly want Robbie on my side.

Quinn did not mention any teams

McHale On Hand John McHale, general manager of the Milwaukee Braves who had watched the Phillies beat St. Louis 3-1 on homers by Rookies Pancho Herrera and Ken Walters, was asked if he would trade for Curt Simmons or Roberts. McHale

said:

"I know we'd be happy to get Roberts. Any team with pennant hopes would find him valuable. He'd have more fielding behind him, get more runs and he'd probably be great as ever. I'd use him as a spot reliever. Boy, what a boost he'd be late in the season.' Roberts has been disappointing thus far with the Phillies. His record is 1-2 and he's failed to go a full nine innings ir five starts. The Braves also are reportedly interested in outfielder Wally Post and pitcher Jim Owens who beat the Cardinals Thursday night on

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

A Mother's Prayer

Dear God . . . help me to live up to the faith I see in my child's eyes. Help me to be the person she thinks I am. I am so very human ... yet to her I am wise as a sage. I am so very frail ... yet to her I am a tower of strength.

I can bind her cuts and bruises . . . I can soothe her small hurts, both physical and mental . . . I can give her love . . . I can protect and cherish her. Yet I can never be half of all I must be, without You to

Help me . . . and watch over her. In Your Church, teach her the things that are beyond my power . . . so that she will one day be a better woman than I; and in her turn, a better mother.
